

Project overview

An upgrade is underway to provide Mona Vale Public School with new and improved education facilities. This project is nearing completion and includes:

A new building with 6 learning spaces and 3 support classes

Upgraded learning spaces

Upgraded core facilities including a new library

A new performance space

New staff and administration facilities

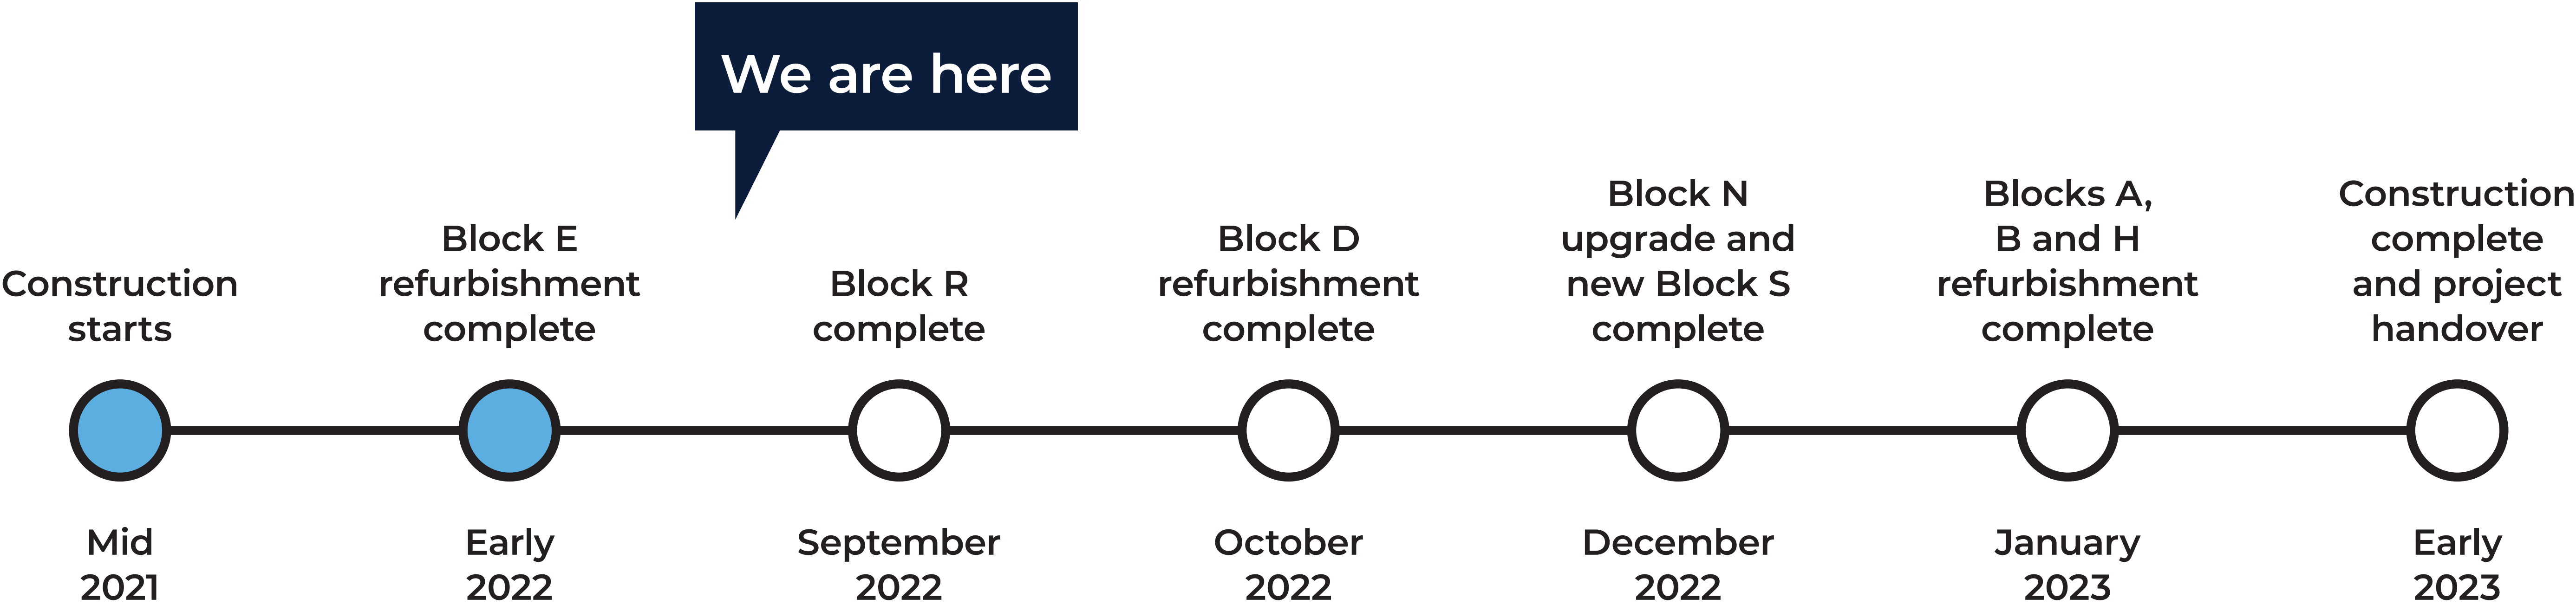

Improvements to accessibility

Project timeline – next steps

We continue to work with key stakeholders so that we can deliver high quality education infrastructure for the local community.

We will continue to share information with you as the project progresses. In the meantime you can stay informed by regularly visiting the project web page and you can contact us via email or phone if you have any questions or feedback about the upgrades.
