

Thank you

from Mona Vale Public School | July 2023

To our community

Thank you for your patience while we have delivered the Mona Vale Public School upgrade.

We recently finished works on the new performance space (Block S), which marks the final milestone of this project. The upgrade is now complete and the school has full use of their new facilities.

Your support and cooperation have made it possible for us to deliver these new and improved education facilities for students and the local community.

Wishing you all the best,

The School Infrastructure Project Team and Mona Vale Public School

Outside the new Block R are Mona Vale Public School
