

Mona Vale Public School

Works notification

15 July 2021

A project is underway to deliver an upgrade to Mona Vale Public School. The project will provide new and upgraded learning spaces and core facilities including a performance space for shared use within the community.

Site establishment as part of main works construction began in June 2021 and is progressing well.

Change in construction hours

The NSW Government has recently passed legislation to allow construction hours to be extended outside of those specified in the development consent conditions (Environmental Planning and Assessment (COVID-19 Development-Construction Work Days) Order (No 2) 2021) to protect the health, safety and welfare of construction workers and our community during the COVID-19 pandemic.

The new construction hours are:

- 7:00am to 6:00pm Monday to Friday,
- 7:00am to 5:00pm Saturday, and
- 9:00am to 5:00pm Sunday.

Work completed on a Sunday is restricted to certain activities to minimise noise and impact to the community. No work will occur on public holidays.

The health, safety and well-being of students, staff, neighbours and community is our highest priority. For any queries relating to this work, please contact School Infrastructure NSW using the contact details below.

Thank you for your patience and cooperation during these important works.
