

Monaro High School

Upgrade works complete

Monaro High School performing arts centre and new school entrance

We recently completed the final works for the Monaro High School upgrade. These works included the refurbishment of Building B South and landscaping.

A new performing arts centre with theatre capacity for 350 people

An innovation hub with 11 specialised learning spaces

31 new flexible learning spaces

Special education facilities

A new semi-commercial kitchen

Upgraded wood and metal workshops

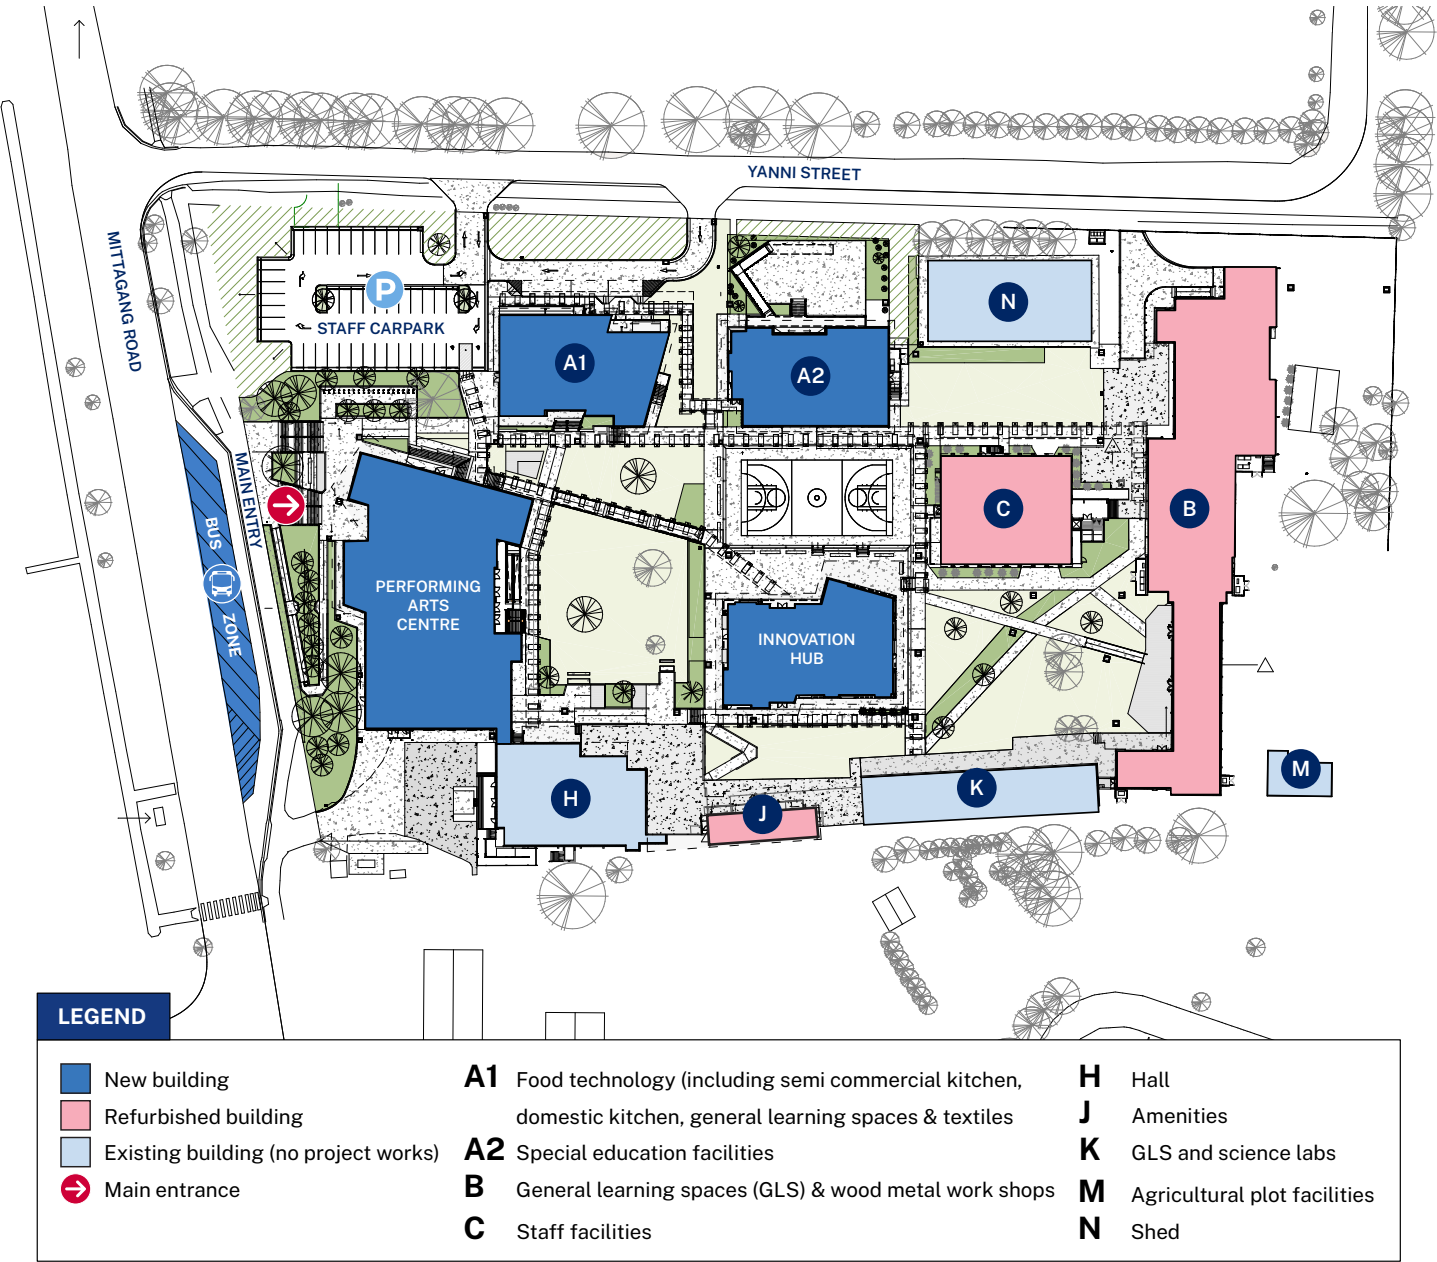

Refurbished staff facilities

Landscaping improvements

Thank you for your patience during construction. We are thrilled to have delivered this project for the school community.
