

Moruya High School

Works notification | 27 August 2025

As part of the NSW Government's plan to rebuild public education, a project is underway to upgrade the Moruya High School Support Unit to better support students with disabilities and other special needs.

This project is expected to be completed in time for Day 1 Term 2 2026.

Site establishment from 1 September to 12 September 2025

To prepare for the upgrade of the Support Unit, site establishment will begin on Monday 1 September 2025 from 7 am. There will be increased traffic around the school as the builder prepares for construction works.

Site establishment works include:

- installing temporary fencing around the site perimeter
- setting up site office sheds and facilities for the workers including walkways and amenities
- establishing temporary power and water supply to the site.

There will be no earthworks activities during this time.

The construction vehicles will access the school via the entrance off Bergalia Street. There will be no street or footpath closures during the works. Traffic control will be in place when trucks are entering and exiting the school. Work vehicles park inside the construction site. See the map on the next page for further details.

Working hours

The work will take place between 7 am and 5 pm Monday to Friday and 8 am – 1 pm on Saturdays. No work will take place on Sundays or public holidays.

Managing construction impacts

Construction can be disruptive, and we thank you for your patience while we complete this important school upgrade project. We work closely with the construction contractor throughout the project to manage impacts on the school and local community.

For more information about how we manage construction impacts on our projects, please scan the QR code or visit: edu.nsw.link/ConstructionImpacts.
