

# Moruya High School

## Works notification | 18 November 2025

As part of the NSW Government's plan to rebuild public education, a project is underway to upgrade the Moruya High School Support Unit to better support students with disabilities and other special needs.

The project is expected to be completed in time for Day 1 Term 2 2026.

### Upcoming works – concrete pours from 25 to 26 November 2025

The concrete slabs for both buildings of the Support Unit will be poured from 25 to 26 November 2025, weather permitting.

During this work, there will be an increased number of trucks entering and exiting the site to maintain the supply of concrete.

Concrete trucks will enter the site via the main construction entry on Bergalia Street. Traffic control will be in place where needed to ensure the safety of the community.

### Working hours

Construction hours will be 7 am to 5 pm, Monday to Friday and 8 am to 1 pm on Saturday. No work will take place on Sundays and Public Holidays unless otherwise advised.

### Managing construction impacts

Construction can be disruptive, and we thank you for your patience while we complete this important school upgrade project. We work closely with the construction contractor throughout the project to manage impacts on the school and local community.

For more information about how we manage construction impacts on our projects, please scan the QR code or visit: [edu.nsw.link/ConstructionImpacts](https://edu.nsw.link/ConstructionImpacts)
