

Moruya High School

Works notification | 7 November 2025

As part of the NSW Government's plan to rebuild public education, a project is underway to upgrade the Moruya High School Support Unit to better support students with disabilities and other special needs.

The project is expected to be completed in time for Day 1 Term 2 2026.

Upcoming noisy works from Monday 10 November 2025

As part of the work to prepare the site for the new buildings at Moruya High School, a large rock breaker will be required to hammer and excavate rock on the site.

This means there will be increased noise from the construction site from Monday 10 November to Friday 14 November 2025, from 7:30 am to 4 pm.

We apologise for any inconvenience this may cause.

Managing construction impacts

Construction can be disruptive, and we thank you for your patience while we complete this important school upgrade project. We work closely with the construction contractor throughout the project to manage impacts on the school and local community.
