

# Moruya High School

## Works notification | 13 October 2025

As part of the NSW Government's plan to rebuild public education, a project is underway to upgrade the Moruya High School Support Unit to better support students with disabilities and other special needs.

The project is expected to be completed in time for Day 1 Term 2 2026.

### Start of construction

Site establishment works are now complete and formal construction of the support unit will begin on **Monday 20 October 2025**.

Construction activities will start with:

- excavation, bulk earthworks, piling and structural works in preparation for concrete pours
- installing cables, pipes, tanks and other onsite infrastructure.

What to expect:

- frequent delivery of construction materials
- increased noise from the construction site
- construction vehicles will access the school via the entrance off Bergalia Street
- there will be no street or footpath closures during the works
- traffic control will be in place when trucks are entering and exiting the school
- work vehicles will park inside the construction site.

See the map on the next page for further details.

### Working hours

Construction hours will be 7 am to 5 pm, Monday to Friday and 8 am to 1 pm on Saturday. No work will take place on Sundays and Public Holidays unless otherwise advised.

### Managing construction impacts

Construction can be disruptive, and we thank you for your patience while we complete this important school upgrade project. We work closely with the construction contractor throughout the project to manage impacts on the school and local community.

For more information about how we manage construction impacts on our projects, please scan the QR code or visit [edu.nsw.link/ConstructionImpacts](https://edu.nsw.link/ConstructionImpacts).
