

New building G at Mosman High School

Mosman High School upgrade – building G

Day 1 Term 3 Information pack | July 2023

We're excited that a significant milestone of the Mosman High School upgrade is now finished and ready for you to use.

The new building G facility includes:

16 new flexible learning spaces

New administration and staff facilities

A library

New multipurpose hall / gym

New outdoor and rooftop play space

New canteen facilities

New learning spaces

New library

New flexible learning environments

The new school building features new flexible learning spaces. These learning environments offer teachers flexibility in teaching methods and provide a variety of opportunities to enhance student collaboration, communication and engagement.

Flexible learning spaces:

- are adaptable and can accommodate up to four class groups in each space
- feature inclusive learning zones with break-out spaces, enabling students to learn in new ways and with new technologies
- provide opportunities to enhance skills in collaboration, communication, critical thinking, problem solving and creativity.

Frequently asked questions

Where is the new entrance to the school?

From Day 1 Term 3 2023, entrance to the school will be via the new main entrance on Belmont Road. Students may continue to use the existing gates on Gladstone Avenue and Military Road.

When will the whole upgrade be finished?

Once the demolition of building C has finished, the area will be remediated and construction will start on external landscaping works and finishing work on the staff carpark. External landscaping works will take place throughout July and August 2023 and the whole upgrade is expected to be finished later in 2023.
