

New building G at Mosman High School

Mosman High School

Completion Pack | February 2024

The upgrade to Mosman High School is now finished. Students and staff have been using the new Building G since July 2023. The finished project has delivered:

16 new classrooms

New administration and staff facilities

New library

New multipurpose gym / hall

New outdoor and rooftop play space

New canteen facilities

Work has also recently finished on upgrading the staff car park and installing a new pedestrian crossing on Gladstone Avenue.

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

Message from your Principal

It gives me great pleasure to announce to our Mosman High School community that the new building, G block and the surrounding landscaping is now complete.

G Block provides a wonderful array of new classrooms, a theatre, a new library and school hall, new administration spaces, outdoor playground and sporting spaces and so much more. The building design is 'state of the art' and students and staff are thrilled with the new spaces. The architectural design of the new build provides a seamless link to the heritage buildings also found on the site.

The creative and performing arts have a range of purpose-built spaces and students are loving their new dance studio, music ensemble studio and spaces for drama and entertainment. With Mosman High's focus on Languages the new language hub caters for diversity of Language learning opportunities. While the future-focused spaces on level 2 are in demand for Project Based Learning and teaching cross-curricular units of work.

The sensitive landscaping adds to the calm yet sustainable feel of the school, and integrated plazas provide further spaces for learning. Students, staff and the community welcome the new look of their school and are proud of this new addition to the community.

Susan Wyatt

School Principal
Mosman High School

Our Record Investment

As part of the NSW Government's plan to rebuild essential services, the 2023-24 Budget is delivering a record \$8.8 billion for new and upgraded schools. This targeted investment in growing communities will ensure working families get access to a world class public education.

In addition to this major project, we are upgrading schools across Sydney.
