

Mosman High School upgrade

Project update

September 2020

Investing in our schools

The NSW Government is investing \$6.7 billion over four years to deliver more than 190 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Progress summary

The State Significant Development (SSD) application will be lodged with the Department of Planning, Industry and Environment in late September.

The proposal will soon be on public exhibition and can be viewed on DPIE's major projects website: www.planningportal.nsw.gov.au/major-projects/projects

- Submissions are to be made directly to DPIE by post or online during the exhibition period.
- Decanting and enabling works are expected to commence from early 2021.
- Construction of main works are anticipated to commence in late 2021, pending approval of the SSD application.

Provide feedback on the SSD application

To provide feedback on the SSD application, please go to www.planningportal.nsw.gov.au/major-projects/projects

Find the project's information pack and boards about the project at www.schoolinfrastructure.nsw.gov.au/projects/mosman-high-school-upgrade.html

Next steps

- Public exhibition of the Mosman High School SSD application
- The SSD application determination by the Department of Planning, Industry and Environment.

Changing the way we communicate

The health and safety of our students, staff and community is our priority. We are temporarily changing some of the ways we keep you informed about our project in your community to account for social distancing measures.

How we will keep you informed

Until further notice we will share information with our communities online instead of in person. Our information hotline and email address will continue to operate as normal.

Keep in touch

The SINSW website will continue to have up-to-date information about the project in your area. You can also continue to contact us via our community information line and email on the details below.
