

# Murwillumbah East Public School

## Project update | June 2025

Image caption: Example of new classrooms recently built at other public schools across the region.

## Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$1.4 billion for new and upgraded schools in regional NSW. This targeted investment will ensure growing communities get access to a world-class public education.

## Project overview

Planning is continuing for the construction of new permanent, flood resilient facilities at Murwillumbah East Public School. The project will provide new classrooms, a canteen and facilities for specialist support classes. The project will also enable all demountable buildings to be removed from the school.

## Community information session: Tuesday 17 June 2025

The community is invited to attend a drop-in style information session to find out more about the project and chat with the project team.

**Session time: 5 to 6:30 pm**

**Location: Murwillumbah East Public School hall**

You can drop in at any time during the information session. If you are unable to attend, resources shared at the information session will be made available on our website afterwards.

## More information

You can find more information about the project at [edu.nsw.link/MurwillumbahEastPS-Upgrade](https://edu.nsw.link/MurwillumbahEastPS-Upgrade) or by scanning the QR code.
