

Murwillumbah High School

Works notification | 17 December 2024

As part of the NSW Government's plan to rebuild essential services, a project is underway to upgrade Murwillumbah High School so students and staff can return to the school from Day 1 Term 1 2025.

The upgrade will provide significantly improved classrooms and specialist learning spaces with new paint, floor coverings, energy-efficient LED lighting, air conditioning, furniture, fittings, and equipment.

School holiday works

Work at the Murwillumbah High School site will continue during the summer school holiday period. This will include finalising refurbishment of spaces for Day 1 and a focus on exterior works, including landscaping.

The site will continue operating as it has over recent months, with no change to the location of the site office or vehicle access arrangements.

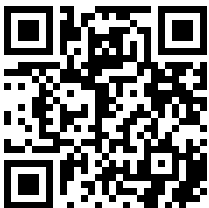

Work hours

Standard working hours will be between 7 am and 5 pm, Monday to Saturday. There may be some work between 8 am and 5 pm on Sundays, as required to meet project deadlines.

The site will be closed, with no works carried out, from 5 pm Tuesday 24 December 2024 to 7 am Thursday 2 January 2025. Security will be on the site full-time during the break.

Thank you for your patience while we deliver this important infrastructure.

More information

You can find more information about the project at <https://edu.nsw.link/MurwillumbahHS> or by scanning the QR code.

You can also contact School Infrastructure during business hours at 1300 482 651 or schoolinfrastructure@det.nsw.edu.au.

School Infrastructure will be closed from 5 pm Friday 20 December 2024 to 9 am Monday 6 January 2025, inclusive. If there is an urgent issue during this time, please contact the site manager listed on the construction site entry. In an emergency, please call triple zero (000).
