

Murwillumbah High School

Completion Pack – May 2025

School facade

Welcome to your refurbished school

At the end of Term 1 2025, Stage 2 of the Murwillumbah High School upgrade was completed. All areas have now been handed over and are in use by the school.

The upgrade has delivered:

fresh, fully refurbished classrooms and specialist learning spaces

redeveloped and refurbished front office, admin and staff spaces

new location and facilities for the Inclusive Education Hub

updated library and hall

improved outdoor spaces with landscaping, seating and murals

new canteen

We are thrilled to have been able to give Murwillumbah High School a new lease of life and to see students and staff enjoying their new spaces.

Message from your Principal

The Murwillumbah High School community is thoroughly enjoying our refurbished facilities. From the fresh classrooms to the expansive outdoor playground spaces; the brand-new canteen to the renovated gymnasium; students and staff are reaping the benefits of our updated school.

The improved outdoor spaces, with landscaping, murals and seating, provide our school with a spacious and open environment for students to enjoy during breaks. The improved Multi Purpose Centre provides staff and students with a location for a diverse range of activities, including sporting, creative and performing arts.

The School Infrastructure team were incredibly supportive and accommodating during the project, working with the school to establish resourcing that prioritises learning and safety. Now that the contractors have left we have access to all school facilities, allowing us to continue settling and focusing on ensuring our young people are known, valued and cared for.

Our staff and students are to be commended for their patience and calmness with the transition to the refreshed school. Moving always provides a challenge, and our school community has handled this with grace.

As we start Term 2, we are clearly focused on building on our incredibly solid foundations, collaborating with families, working as a team and inspiring every student, every day!

Zoe Tiernan
Principal

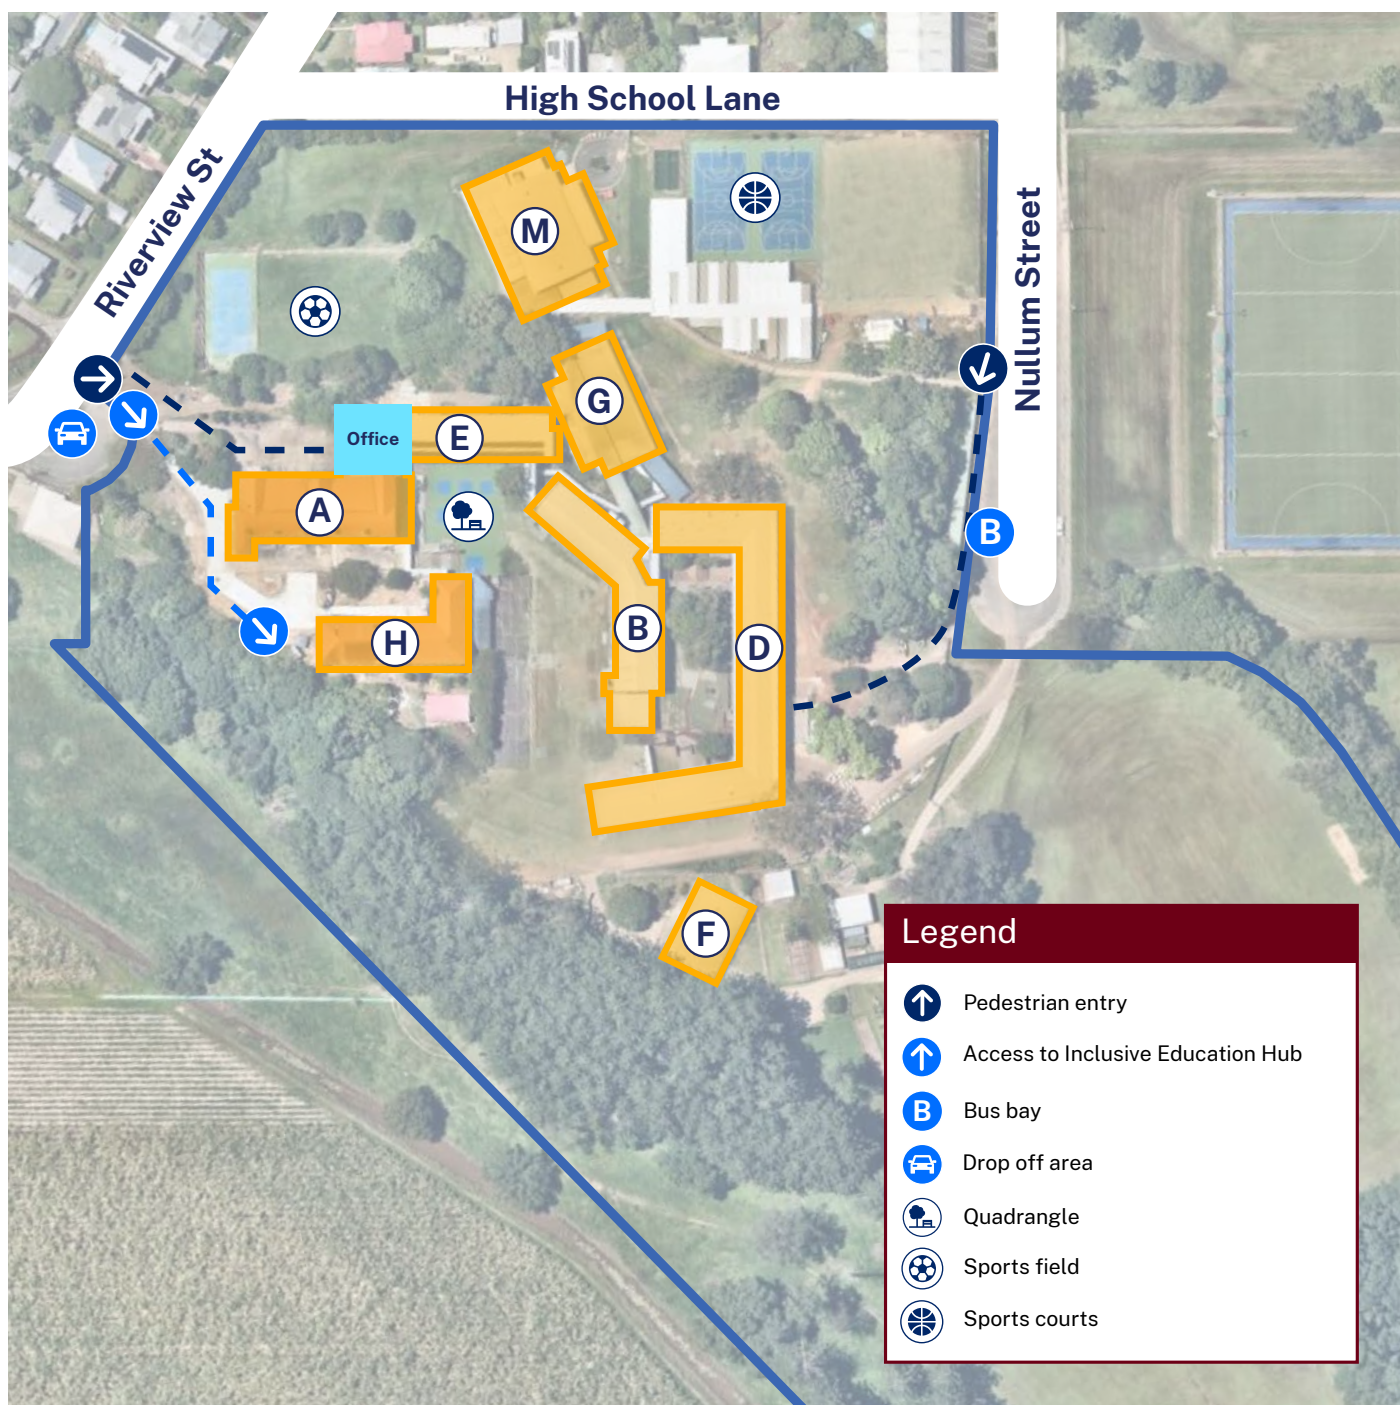

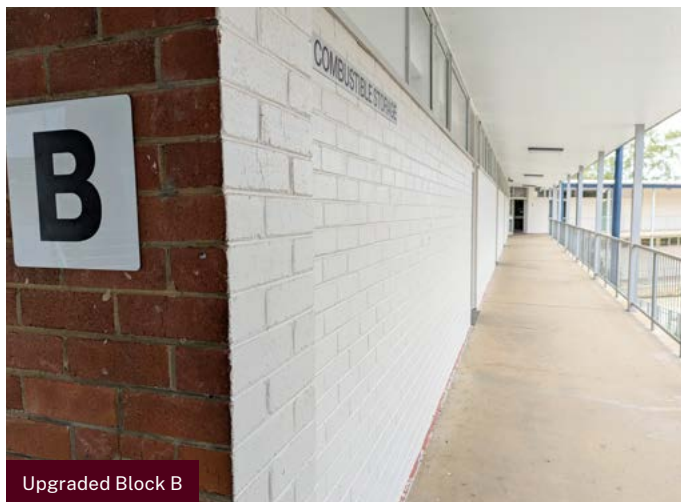

Staged delivery

The upgrade project was completed in 2 stages.

- Stage 1 delivered enough classrooms and specialist learning spaces to deliver the timetable from Day 1 Term 1 2025. It also included the new Inclusive Education Hub, refresh of spaces in the heritage building, and refresh of the school library and hall.
- Stage 2, which was finished in March 2025, included refurbishment of all classrooms in Block B, completion of all exterior works and landscaping, and opening the new school canteen.

New landscaped outdoor space

New yarning circle

New canteen

Thank you

Thank you for your patience during the upgrade to Murwillumbah High School. Your support and understanding have been invaluable and made it possible for us to deliver these new facilities for students and staff.
