

Middle tier of the new U Block at Muswellbrook South Public School

# Thank you

from Muswellbrook South Public School | February 2024

## To our community

**Thank you for your patience while we have delivered the Muswellbrook South Public School upgrade.**

We recently finished works on the refurbishment of blocks B, C and R, which marks the final milestone of this project. The upgrade is now complete and the school has full use of their new facilities.

Your support and cooperation have made it possible for us to deliver these new and improved education facilities for students and the local community.

Wishing you all the best,

**School Infrastructure NSW and Muswellbrook South Public School.**

## New facilities

We're excited about the new school facilities. We have delivered:

- new basketball court, half court and handball courts
- new sports storage
- upgrade and refurbishment of 8 existing buildings
- landscaping and open play spaces.

Thank you for your patience during the Muswellbrook South Public School upgrade. We are thrilled to have delivered this project to the community.
