

The new U Block at Muswellbrook South Public School

# Muswellbrook South Public School Upgrade

Completion Pack | February 2024

We are excited that the final construction works for the Muswellbrook South Public School upgrade are complete and all areas are open for use.

a new building  
with 13  
classrooms

a new covered  
outdoor learning  
area (COLA)

new basketball  
court, half  
court and  
handball courts

new sports  
storage

upgrade and  
refurbishment  
of 8 existing  
buildings

landscaping  
and open play  
spaces

Thank you for your patience during construction. We are thrilled to have delivered this project for the Muswellbrook school community.

## Message from your Principal

Welcome to the newly upgraded Muswellbrook South Public School. We are excited about this next chapter in our school history and I am sure you will agree that the end result is welcoming, accessible and inspiring.

This major project has given the school community an upgrade and refurbishment of 8 existing buildings at the school, a brand new 2 storey split level building with 13 classrooms, new sports courts, covered outdoor learning area and landscaping. These improvements have been carefully planned to consider the features of the existing school buildings and surrounds while enabling our teachers to deliver an integrated curriculum in an engaging and supportive environment.

As a dynamic and inclusive school we are committed to delivering quality learning experiences in a nurturing environment. We are delighted with the new and upgraded learning environments that will inspire the next generation of young minds.

I would like to thank the community – students, staff, parents and local residents for their patience during construction. I am sure that you will be just as impressed with the outcome, as we are.

Kind regards

**Glen Kite**

School Principal, Muswellbrook South Public School

## Site plan

## Our Record Investment

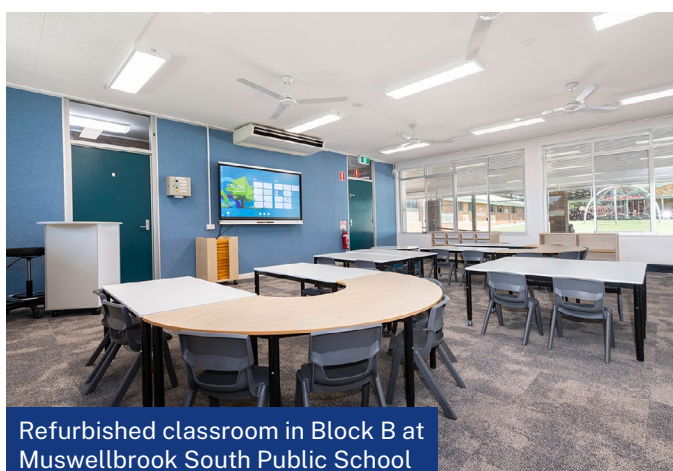

As part of the NSW Government's plan to rebuild essential services, the 2023-24 Budget is delivering a record \$8.8 billion for new and upgraded schools. This targeted investment in growing communities will ensure working families get access to a world class public education.
