

Nangamay Public School

Works notification

5 October 2022

Nangamay Public School is a new primary school being built for the growing population in the Mulgoa Rise and Glenmore Park communities.

The new school will have facilities for up to 400 students, including new flexible learning spaces, a multipurpose hall, a library, a sports court and playing fields.

Enrolments are now open for the school: visit ehub.enrol.education.nsw.gov.au to enrol.

Extension of working hours – indoor works only

To complete the construction of the Nangamay Public School as soon as possible, we are extending our working hours for indoor construction activities. These adjusted working hours have been approved as part of the State Significant Development (SSD) application conditions.

The indoor work will include gyprocking and installing services such as power and light fittings.

From Friday 14 October our working hours for indoor activities will be Monday to Friday 7am to 7pm and Saturdays, 8am to 4pm.

No work will take place on Sundays and public holidays, unless otherwise notified.

We will ensure all work continues to comply to our approved noise management plan.

Thank you for your patience and understanding while we complete these essential works.
