

New primary school in Mulgoa Rise Glenmore Park

Works notification

August 2021

A new primary school is being developed to cater for the growing population in the Mulgoa Rise and Glenmore Park communities. The concept design has been completed, and the statutory approval process will shortly start.

The project will deliver modern facilities to support flexible learning.

Installation of site fencing

On 30 August, our contractors will be onsite to install fencing around the site boundary. See map overleaf for details.

Thank you for your patience while we deliver this important school infrastructure.

Change in construction hours

The NSW Government has recently passed legislation to allow construction hours to be extended outside of those specified in the development consent conditions (Environmental Planning and Assessment (COVID-19 Development-Construction Work Days) Order (No 2) 2021) to protect the health, safety and welfare of construction workers and our community during the COVID-19 pandemic.

The new construction hours are:

- 7:00am to 6:00pm Monday to Friday,
- 7:00am to 5:00pm Saturday, and
- 9:00am to 5:00pm Sunday.

Work completed on a Sunday is restricted to certain activities to minimise noise and impact to the community. No work will occur on public holidays.

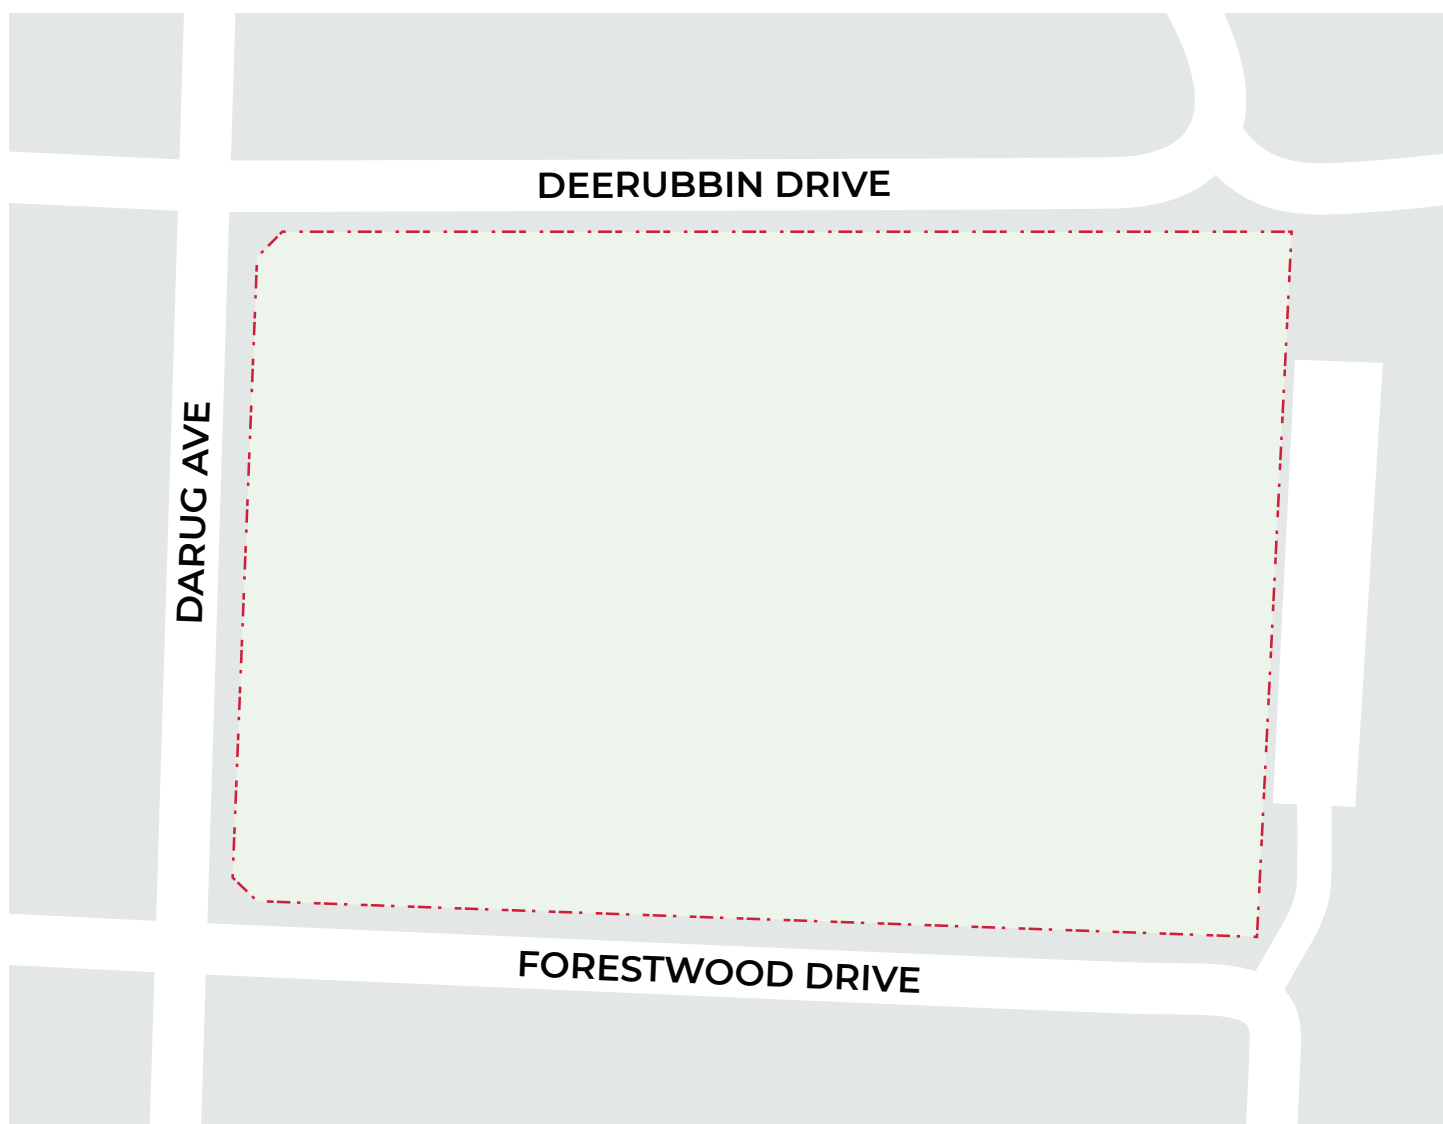

A comprehensive COVID-19 Safety Plan will be in place for the site and the contractor will enforce strict compliance including no workers from the LGAs of concern with the exception of authorised workers allowed under the Public Health Order. Our construction sites will follow all current health guidelines, including a one person per 4sqm rule and all workers wearing masks for indoor and outdoor work.

Keeping you updated

We will continue to share project updates and information as the project progresses. You can stay updated on the project through our website or using the contact details provided below.
