

Narrabeen Education Campus

School holiday works notification | April 2023

We are upgrading Narrabeen North Public School and Narrabeen Sports High School with new and improved education facilities to support the student community.

Temporary school buildings

To accommodate upcoming works to Narrabeen North Primary School, 4 temporary school buildings will be installed next to the Narrabeen Sports High School playing field (see map overleaf).

New decking and perimeter fencing will also be installed in the area for the safety and wellbeing of our students and teachers.

These works will start on Wednesday 5 April and will be completed by Saturday 22 April 2023.

Vehicle movements

The above works will involve large vehicle movements, including a mobile crane and trucks. Traffic control will be in place for the safety of motorists and the local community. Access will be maintained to all residential properties at all time.

Work hours

Working hours will be 7am to 6pm Monday to Friday, and 8am to 12pm Saturday. There will be no work on Sundays or Public Holidays unless otherwise notified.

The health, safety, and wellbeing of the school and the local community are our highest priority, and we will continue to keep the community updated.

Thank you for your patience as we deliver this important project for the Narrabeen community.
