An air-conditioned modern classroom

Message from the Principal

Welcome to Narrabeen North Public School, in the heart of the Pittwater Network of Schools.

I am delighted to announce the completion of our new school facilities, designed to provide an outstanding educational environment for all our students. These enhancements include modern classrooms equipped with the latest classroom furniture, IT infrastructure, a beautifully landscaped playground featuring native flora, and serene, quiet spaces nestled under our stunning fig tree.

Our vibrant and bright learning spaces are filled with natural light, and the spacious hall and covered outdoor learning area offer additional versatile areas for various activities. The new modern administration centre further supports our mission to provide high quality education.

Additionally, we are thrilled to have exclusive access during school days to the Warriewood sports fields and the Northern Beaches Indoor Sports Centre, offering our students exceptional opportunities for physical education and sports.

I extend my heartfelt gratitude to our school community, including staff, students, parents, neighbours, and visitors, for your support and patience during the construction phase. Your cooperation has been invaluable in managing the complexities of the temporary split village site.

Our new facilities are of the highest standard, and we are committed to ensuring this excellence is reflected in our classrooms every day for every student.

Warm regards,

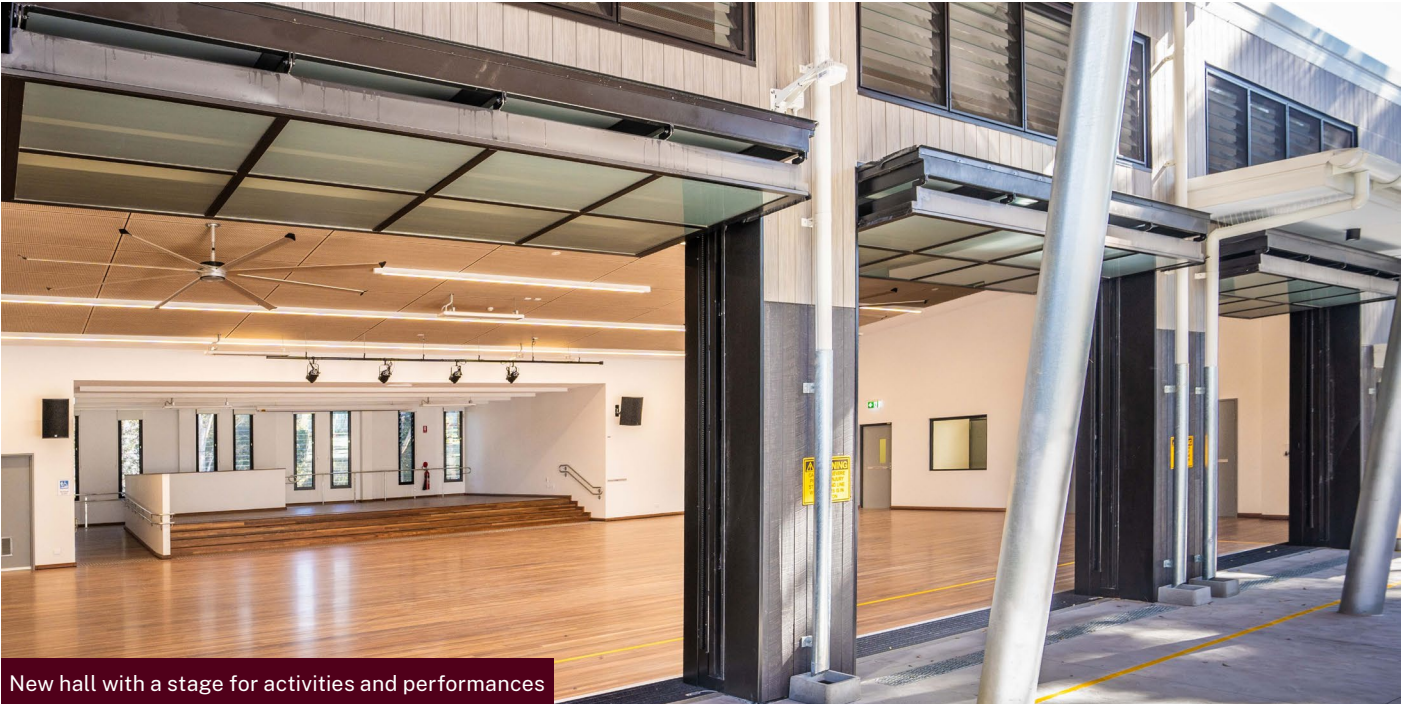

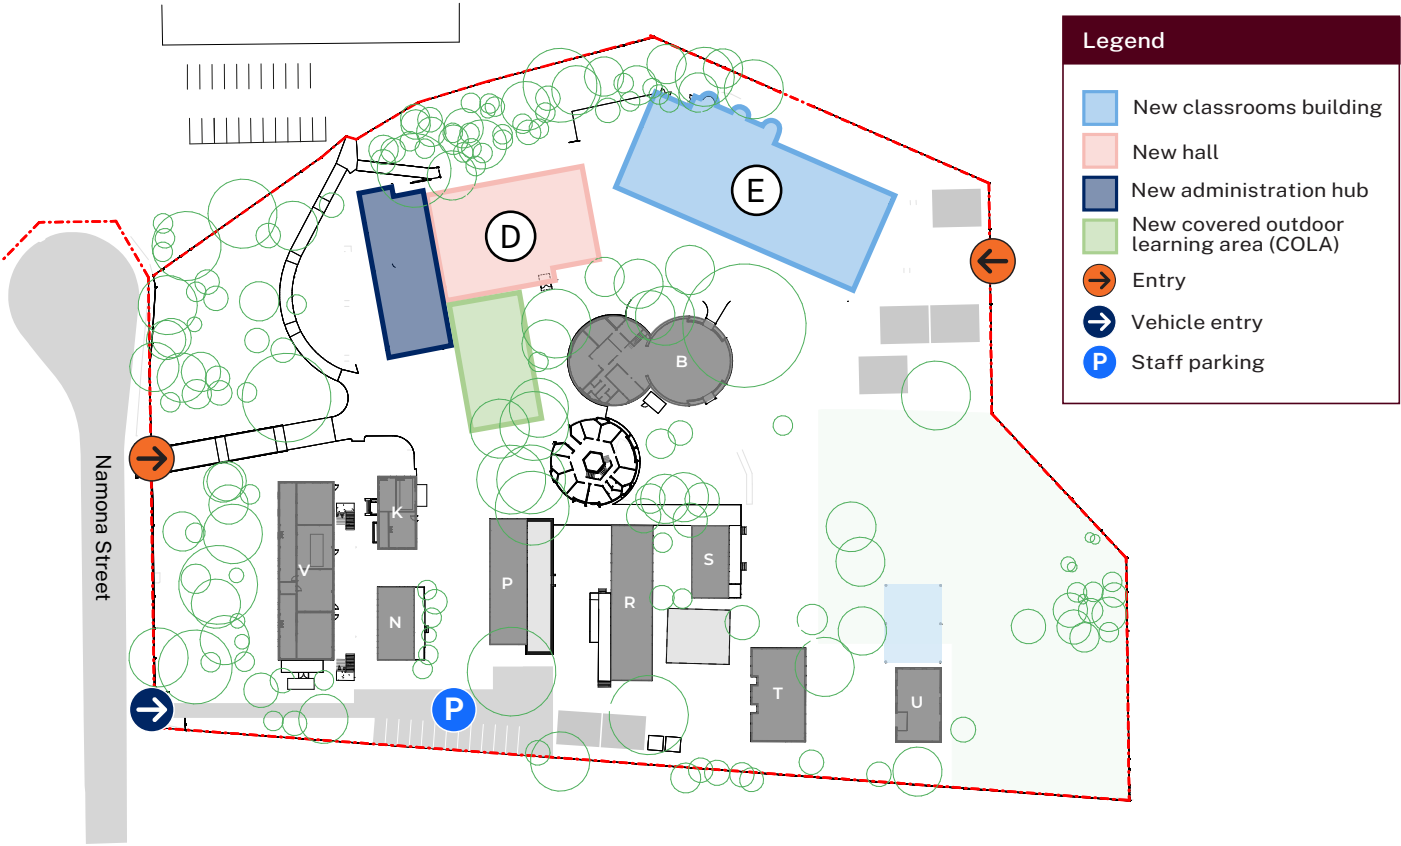

Adam Hughes
