

# Narrabeen North Public School upgrade

Works notification | 1 May 2024

We are upgrading Narrabeen North Public School with improved education facilities to support the student community.

## Tower crane removal on Friday 3 May 2024

In November 2023, a tower crane was installed to assist with the safe and efficient movement of heavy materials during the construction at Narrabeen North Public School. As the project is nearing completion, the tower crane can now be removed.

The tower crane will be dismantled on site on Friday 3 May 2024 between the hours of 8 am and 5 pm. The dismantling and removal of the tower crane is expected to be completed that same day, weather permitting. If the weather is not agreeable on this day, removal will take place on Thursday 9 May 2024.

A mobile crane will be used to lift and remove sections of the tower crane and place the pieces onto multiple vehicles positioned nearby. These vehicles will then transport the dismantled tower crane in sections off the site. Please refer to the map overleaf for vehicle movements.

## Traffic management

Construction vehicles will enter and exit the site via the temporary access road on Warriewood Square Sports ground. The mobile crane and supporting trailers will be temporarily parked within the Northern Beaches Indoor Sports Centre (NBISC) car park. This zone will be isolated from the public with plastic water barriers and signage.

Heavy vehicle movements will be managed with an approved Traffic Management Plan to ensure the least possible disruption to the traffic on nearby and surrounding roads.

Traffic controllers will be used where needed to manage entry and exit of vehicles to and from the construction site as necessary. Please follow the direction of temporary signage and traffic controllers when in place.

## Contact us

If you have any questions about this project, contact us by email at [schoolinfrastructure@det.nsw.edu.au](mailto:schoolinfrastructure@det.nsw.edu.au) or during business hours on 1300 482 651.

Thank you for your patience during this important work.
