Investing in our schools

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering record education funding, including $9 billion for new and upgraded schools. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

We are delivering an upgrade to Narrabeen Sports High School. The next step in this project involves further refurbishment of Block K.

We are also delivering a new professionally equipped performance hall with seating for approximately 380 guests. This will provide students with a dedicated space to explore their creative talents, enhancing their education through performances, exhibitions, and workshops.

Progress summary

The refurbishment of the final 21 classrooms in Block C is now complete. The building has been handed back to the school and is now in use by students and staff.

With Year 12 now finished their HSC exams, work on Block K has started. This includes the upgrade to the performance space and music rooms and is expected to be finished in February 2026.

The removal of 6 demountable buildings on the school grounds is currently underway to make room for the new performance hall.

Next steps

- For the remainder of Term 4 and during the summer school holiday period, work on the refurbishment of Block K will continue.
- The removal of the demountables is planned for late January 2026.
- The Review of Environmental Factors (REF) planning approval process for the new performance hall is continuing.
- Preparation for the release of the construction tender is underway and is expected to go to market in late January 2026.

We expect the main construction works for the hall to start in **mid 2026.**

NSW GOVERNMENT

Block C classroom, before and after.

Construction work hours

The contractor will be off site during their shut down period from Friday 19 December at 6 pm until Monday 5 January at 7 am.

When the contractor returns to site, work will take place between the approved hours of 7 am and 6 pm Monday to Friday and 8 am to 1 pm on Saturdays. No work will take place on Sundays.

More information

If you have any questions about the project, contact us during business hours via the contact details below. For the latest information visit edu.nsw.link/NSHS or scan the QR code.

School Infrastructure will be closed from Wednesday 24 December 2025 at 12 pm to Monday 12 January 2026 at 9 am inclusive, in line with the NSW Government shut down period.

You can contact us during this time and we will get back to you when we return. If there is an urgent issue, please contact the site manager listed on the construction site entry signage. If there is an emergency, please call 000.
