Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2025-26 Budget is delivering record education funding, including $9 billion for new and upgraded schools. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

We are delivering an upgrade to Narrabeen Sports High School. The next step in in this project involves further refurbishment of Block K and the classrooms in Block C.

The project also includes completed upgrades to the technological and applied studies (TAS) classrooms and student and staff amenities in Block A, part of Block K, renewal of the science labs, prep rooms, and chemical storerooms in Block B, classrooms and amenities in Block E, amenities and change rooms in Blocks A and D and the replacement of roofs in Blocks B, C, D, and E, and part of Block A.

Progress summary

We have appointed Trade Wind Pty Ltd to oversee the construction of the classrooms in Block C. Early works on the refurbishment of Block C will start during the July school holidays.

The construction contract tender for the Block K upgrade has closed and the evaluation process is now underway.

We are progressing the design for the new hall and intend to release the tender for the construction contract in late 2025.

There will be an opportunity for the community to see these designs at an upcoming information session in Term 3.

NSW GOVERNMENT

Day 1 Term 3 school student classroom relocation

From Day 1 Term 3 2025, student access to Block C classrooms will change. As part of stage 1 of the refurbishment, several classrooms will be relocated to other areas of the school. The school Principal will share details of these changes with students and staff in early Term 3.

New student access pathways will be put in place around Block C so students can access the school facilities safely during the construction period. The changes to student access have been arranged in consultation with the Principal. There will be no changes to school entry points or entry to Block C.

Next steps

During the winter school holidays, internal refurbishment work for Block C will start at Narrabeen Sports High School. The works will include:

- internal fitouts
- installing new flooring, false ceiling and wall finishes.

Community information session: Thursday 28 August 2025

You are invited to attend a community information session to find out more about the new performance hall and refurbishments works to Block C and K that will be delivered at Narrabeen Sports High School. You will be able to view the designs and speak to the project team.

Time: 3 pm to 6 pm

Location: School Library, 10 Namona St, North Narrabeen NSW 2101

You can drop in at any time during the session. If you are unable to attend, we will also share the designs with the community following the information session.

Construction work hours

Construction work hours are Monday to Friday 7 am to 6 pm and Saturday 8 am to 1 pm.
There will be no work on Sunday or on public holidays unless otherwise advised. Further information

If you have any questions about the project, contact us during business hours via the contact details below. For the latest information visit edu.nsw.link/NSHS or scan the QR code.
