Investing in our schools

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering record education funding, including $9 billion for new and upgraded schools. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

We are delivering an upgrade to Narrabeen Sports High School and have completed refurbishments and upgrade works across the school site. We are now planning to start construction of the new professionally equipped performance hall.

The performance hall will have seating for approximately 380 guests and will provide students with a dedicated space to explore their creative talents, enhancing their education through performances, exhibitions, and workshops.

Progress summary

The refurbishment of Block K is now complete. These rooms have been handed back to the school and are now in use by students and staff.

We are now preparing to remove 6 demountable buildings from the school grounds to make room for the new performance hall. Temporary fencing has been installed around the site to prevent access while we prepare for the removal.

The planning application, known as a Review of Environmental Factors (REF), for the new performance hall, has been determined meaning that we can now plan for the start of construction.

Detailed plans for the approved hall are set out in the REF, which can be viewed at edu.nsw.link/NSHS-REF.

The tender for the construction contract to build the performance hall is open and will close on 17 April 2026.

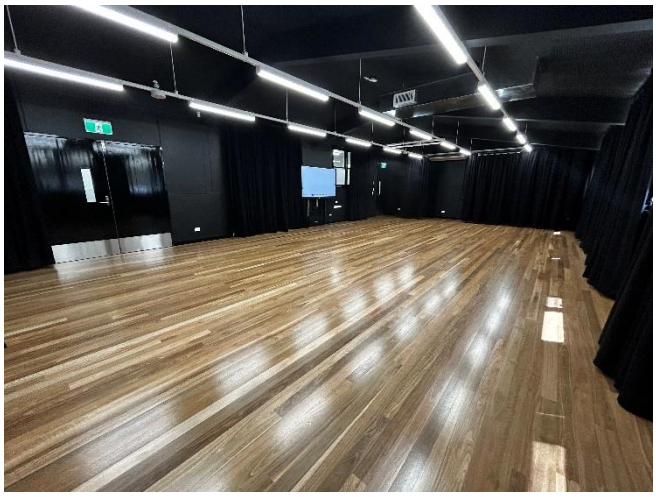
NSW GOVERNMENT

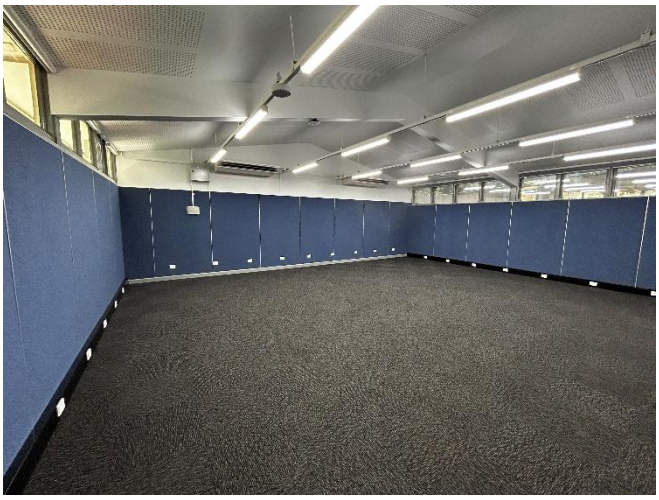
Next steps

- Removing demountable classrooms – April 2026.
- Awarding the construction contract for the hall – expected in June 2026.

Following the award of the construction contract, we will work with the contractor to develop the timeline for construction.

Recently completed facilities





The upgraded performance space and music room in Block K.

Working hours

Work will take place between the approved hours of 7 am and 6 pm Monday to Friday and 8 am to 1 pm on Saturdays. No work will take place on Sundays.
