Narrabeen Sports High School
Works notification | 10 September 2026

As part of the NSW Government's plan to rebuild public education, a project is underway to upgrade Narrabeen Sports High School to deliver a new professionally-equipped performance hall.

Planning approval for the new performance hall has been granted by the Department of Education's Planning and Assessment team meaning that construction can proceed.

The Decision Statement and Review of Environmental Factors has been published on the Planning Portal for Division 5.1 (Part 5) Activities.

Site establishment

To prepare the site for construction of the new hall, site establishment will take place from **Monday 14 September 2026.**

Site establishment works will involve:

- installing site fencing around the construction area
- installing banner mesh around the site perimeter
- creating a construction vehicle entrance on Pittwater Road to allow contractor and construction vehicles to access the site
- removing some trees to create the construction vehicle entrance
- installing site sheds and amenities
- removing the existing covered walkway within the construction site.

Please see the site plan over the page for more information.

Construction starting

Major construction works are proposed to start on Monday 9 November 2026.

Initial works will include:

- bulk earthworks
- transporting materials and machinery onto site.

Construction is expected to be finished by July 2027.

Working hours

Standard construction hours will be 7 am to 6 pm, Monday to Friday and 8 am to 1 pm, Saturday. No work will take place on Sundays or public holidays.

Managing construction impacts

Construction can be disruptive and we thank you for your patience while we complete this important project. We are committed to minimising any impact on the school and surrounding community and prioritising safety.

For more information about how the department manages construction impacts please visit our webpage at edu.nsw.link/ConstructionImpacts.

More information

You can find out more information about the project at edu.nsw.link/NSHS or by scanning the QR code.

If you have any questions about this project, you can contact School Infrastructure during business hours on the contact details below.

Thank you for your patience while we deliver this important infrastructure.
