Message from your Principal

It is with great excitement that I welcome the Nepean Creative and Performing Arts High School community to our school's stunning new gymnasium. We are very proud to add this incredible indoor multi-purpose sporting facility to our exceptional purpose-built learning spaces.

The gymnasium provides us with further opportunities to enrich learning for all students, ensuring we are better equipped to provide a lifelong learning environment in which our students can aspire the heights through care, opportunity and success.

I would like to sincerely thank all those involved in the planning and construction of the gymnasium. I also wish to thank students, staff, parents and the local community for your patience throughout the construction.

I am sure you will be as excited as we are about this beautiful facility, and we look forward to sharing our new gymnasium facility with the school.
