

# Nepean Creative and Performing Arts High School

## Works notification

**24 June 2021**

### **Temporary closure of Block C**

Classes will not be held today or tomorrow in the Technological and Applied Studies building while School Infrastructure NSW undertakes precautionary testing relating to planned works carried out in the building overnight.

Students and classes will be relocated to other available rooms until a clearance certificate is provided by an independent occupational hygienist that says the spaces can be occupied. An update will be provided to the school community by the end of today.

As a precaution, contractors will be at the school wearing protective clothing such as high visibility vests, overalls, gloves and footwear. This is a regulatory requirement.

The health, safety and well-being of the school and neighbouring community is our highest priority. Thank you for your understanding.

If you have any questions, please contact School Infrastructure NSW on 1300 482 651 or [schoolinfrastructure@det.nsw.edu.au](mailto:schoolinfrastructure@det.nsw.edu.au).
