

An example of flexible a learning space

Neutral Bay Public School upgrade

Project update | June 2023

Project overview

The upgrade of Neutral Bay Public School has been funded to deliver seven new flexible learning spaces and the refurbishment of 12 existing learning spaces. The project will also deliver a new library, canteen, student amenities, administration/staff facilities and storage rooms. Improvements to the school's out of hours care facilities and play spaces will also be provided.

Progress summary

The Development Application for the upgrade works at Neutral Bay Public School was approved by North Sydney Council in April 2023.

Grindley Constructions have been awarded the main works contract and will be the contractor for the upgrade when construction starts.

Next steps

Work to establish the construction site will be starting soon. We will share more information with the community via an upcoming works notification.

More Information
