## Footpath closure – 21 and 22 June 2023

Construction has recently started at Neutral Bay Public School with site establishment activities taking place on site. On Wednesday 21 and Thursday 22 June 2023, site sheds will be put in on the construction site. These will be put in using large construction vehicles and a mobile crane, and the footpath on Bydown Street will need to be temporarily closed to allow this work to take place safely.

Traffic control will be in place throughout the temporary footpath closure to guide vehicles and pedestrians to safely navigate the area.

Please see the map of the temporary footpath closures overleaf.

## Working hours

All construction work will take place during approved construction hours of:

- 7 am to 5 pm, Monday to Friday
- 8 am to 1 pm, Saturday.
