Construction Flood Emergency Management Plan, Condition B19

Dear Jono

I refer to your Construction Flood Emergency Management Plan (CFEMP) submitted to the Planning Secretary under condition B19 of SSD-6208458.

I note the CFEMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been prepared in consultation with NSW State Emergency Service; and
- contains the information as required by condition B19.

Accordingly, the Department has filed the Construction Flood Emergency Management Plan, Revision C dated 16 January 2025, prepared by Northrop, as per condition B19 of SSD-62028458.

I remind you that the CFEMP must be implemented for the duration of the construction works as per condition B20 of the consent.

Please note that if there are any inconsistencies between the submitted CFEMP and the conditions of consent, the conditions will prevail.

Also, please make the CFEMP including this letter available for public access on the project website as per condition A28.

Should you have any questions, please contact Jeremy Martin at [redacted]

Yours sincerely
