To our community

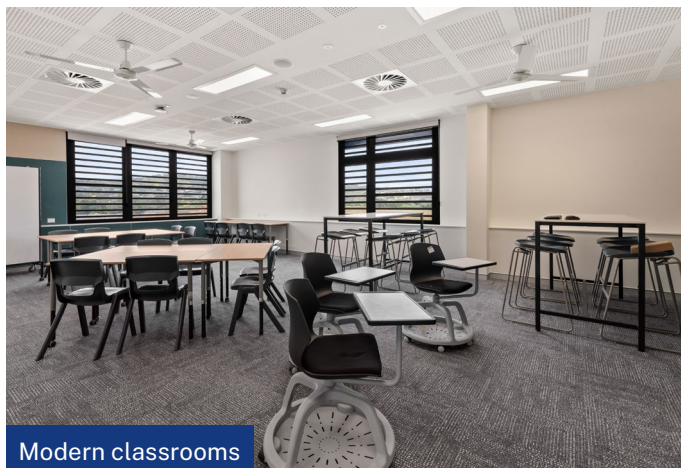

Thank you for your patience while we delivered Stage 1 of Jerrabomberra High School. Construction is now complete and students and staff are now using their new facilities.

Your support and cooperation have made it possible for us to deliver this new school for students and their families.

All Stage 1 work on the school is now complete. The project team has handed over the new facilities to the school to use.

Wishing you all the best,

School Infrastructure NSW and Jerrabomberra High School.
