

Jerrabomberra High School

Works notification

1 August 2022

Final preparations are underway prior to construction commencing of the new Jerrabomberra High School.

The new high school will have modern facilities, with 25 flexible learning spaces including 3 support learning spaces, to accommodate approximately 500 students and will deliver:

- library
- multi-purpose hall
- sports courts
- covered outdoor learning area
- outdoor space
- canteen
- administration facilities.

The State Significant Development (SSD) application has been approved and main works will start shortly. Details regarding the determination are available on the NSW Government Planning Portal at: <https://pp.planningportal.nsw.gov.au/major-projects/projects/new-high-school-jerrabomberra>

Site establishment works starting

From Monday 8 August 2022, the contractor will start site establishment work in preparation for main works to begin.

Site establishment includes temporary fencing being installed around the work site as well as installation of site accommodation. Site access pathways will be put into place to maintain access and reduce disruption to the school.

Traffic control will be in place as required to manage pedestrian and vehicle movements near the site access points.

Site establishment works will take approximately 2 weeks.

Working hours

Approved project working hours are 7am to 6pm on Monday to Saturday, and 8am to 6pm on Sundays and Public Holidays.

Thank you for your cooperation during this important work.
