

Murrumbateman Public School Complaints Register

Last updated 30 November 2022

This is a register of complaints received by School Infrastructure NSW about the new primary school in Murrumbateman since the State Significant Development application was granted (SSD). A complaints register is a requirement for all SSD projects.

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
-------------------	------------------	---------------------	---------------------	----------------	------------------	--------------------------------

There were no complaints during November.
