

Newcastle East Public School

Works notification

8 May 2020

Weekly update on work at Newcastle East Public School

To keep the community informed during ongoing construction and remediation work, we will continue to produce weekly updates in the lead up to completion of work.

Work between Monday 11 May and Sunday 17 May 2020

Heritage building

Work continues on the heritage building, including refurbishing the administration area, painting internal walls and carrying out some carpentry repairs. The slating of the roof tiles and chimney repairs are nearing completion and we will continue with the partial removal of scaffolding around the building.

The heritage building is still vacant until we finish work on the roof over the two previously occupied classrooms. More information on remaining work and when students and staff will relocate back into the heritage building will be provided to the school community in the coming weeks. Current work hours are 7:00am to 5:00pm Monday to Saturday and 8:00am to 4:00pm on Sundays

Playground remediation

The detailed design for the playground remediation is complete and the tender for the works will be issued next week. The final design will be provided to the school community in May 2020.

Keeping you updated

Thank you for your understanding during this important work. We will continue to provide weekly updates to the school community. We welcome any enquiries regarding work at Newcastle East Public School.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.
