

Newcastle East Public School

Works notification

19 June 2020

Weekly update on work at Newcastle East Public School

To keep the community informed during ongoing construction and remediation work, we will continue to produce weekly updates in the lead up to completion of work.

Work between Monday 22 June and Sunday 28 June 2020

Heritage building

Works are nearing completion for the administration refurbishment with remaining works including painting internal walls, installing carpets and some landscaping.

Refurbishment works also continue following the removal of asbestos containing material in the OOSH, toilets and storeroom including some carpentry, painting and repairs. Current work hours are 7:00am to 5:00pm Monday to Saturday and 8:00am to 4:00pm on Sundays.

Playground remediation

Tenders for the delivery of the playground remediation works have closed and are currently being assessed. The works are expected to commence in July 2020.

Block E and block B

Minor defect rectification works will continue this week in the new building (block E). Refurbishment works following the removal of asbestos containing material in block B (also informally referred to as the 'bomb shelter') will also continue.

Keeping you updated

Thank you for your understanding during this important work. We will continue to provide weekly updates to the school community. We welcome any enquiries regarding work at Newcastle East Public School.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.
