**Attention: Stefan Chalouhi**

Dear Stefan

**RE: North Kellyville Public School – Landscaping SSD Certification**

NBRS confirm that in accordance with the State Significant Development Consent Condition C19, all trees planted (capable of reaching a minimum height of 8m at maturity) are planted at 100lt pot sizes and are locally endemic to New South Wales. A total of 125 trees have been planted in accordance with these conditions.

Regards,

**NBRSEARCHITECTURE**
