

North Sydney Public School

Works notification

April 2022

The upgrade of North Sydney Public School is funded by the NSW Government's COVID-19 Recovery Plan to deliver students the latest educational facilities and support the growing community.

Demolition works

From Saturday 9 April and continuing throughout the school holidays until Saturday 23 April, 2022 the Haven building and Lady Hay Hall will be demolished, weather permitting.

This work will take place between 7 am and 6 pm Monday to Friday and 8 am to 1 pm Saturdays. No work will take place on Sundays or public holidays, unless otherwise notified.

As this work may create noise and dust at times, control measures will be in place in accordance with the project's construction management plan. These include A-class hoarding, secure fencing, water suppression and shade cloth installed around the works zone.

Working with asbestos

The removal of the fixtures and fittings of the buildings may require working with asbestos containing material.

Should this material be found, safety measures and monitoring will be put in place and a certified occupational hygienist will be on-site to ensure the appropriate actions are taken.

This work will take place in the work zone which is inaccessible to staff, students and the local community.

If asbestos containing materials are found, the site will be managed in accordance with the Department of Education's Asbestos Management Plan and SafeWork NSW regulations. All remediation work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

A comprehensive COVID-19 Safety Plan is also in place for the site and the contractor will enforce strict compliance with the Public Health Order and follow all current health guidelines.

The health, safety, and well-being of the school and the local community is our highest priority and we will continue to keep the community updated.

Thank you for your cooperation during this important work.
