## Investing in our schools

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering \$3.9 billion for new and upgraded schools in Western Sydney. This targeted investment will ensure growing communities get access to a world class public education.

## Project overview

The project to deliver new permanent educational facilities in Box Hill includes a public preschool, primary school, and high school, all of which will open on Terry Road, Box Hill on Day 1 Term 1 2028.

To accommodate local families and provide access to education sooner, Box Hill Public School opened in purpose-built temporary facilities on Day 1 Term 1 2025, and Box Hill High School will open in temporary facilities on Day 1 Term 1 2026, both located on George Street, Box Hill.

## Progress summary

The second stage of the temporary facilities for Box Hill Public School has been completed and students in Years 3 to 6 were welcomed on Day 1 Term 3 2025. We are now planning for the next phase of works to install temporary facilities for Box Hill High School.

## Plans on exhibition

We have started the statutory planning approval process for the permanent schools. The planning application, known as a Review of Environmental Factors (REF), is now on public exhibition on the NSW Planning Portal for Division 5.1 (Part 5) activities until Thursday 25 September 2025.

View the plans for the proposed schools at [edu.nsw.link/BoxHillPSHS-REF](https://edu.nsw.link/BoxHillPSHS-REF) or scan the QR code.

Comments may be lodged via the Planning Portal by no later than Thursday 25 September 2025.

## Next steps

- Starting construction of the temporary high school facilities later this term.
- Submissions received during the Review of Environmental Factors (REF) exhibition will be reviewed and considered as part of the REF process.
- The department's Planning Assessment team will assess the REF and determine the outcome.

## Message from the Acting Principal of Box Hill High School

As an experienced educational leader, I bring to the Box Hill community my expertise in leading the building and shaping of a shared purpose, vision and identity for an aspirational school community.

To ensure our young people are fully equipped academically, socially and emotionally to face the complexities and demands of the future, I believe learning environments should be rich in challenge and authentically meet the needs of students to enable every individual to be productive in our society.

As we embark on this journey, I look forward to collaborating with families and key community members to articulate a collective purpose, shaping the identity of our new school for Box Hill High School to become the school of choice for families.

I look forward to welcoming our first graduates and their families as we begin our high school journey in our temporary facilities in 2026, and commence the writing of our school's history.

Joanne Roberti

Acting Principal, Box Hill High School
