## Works notification | 4 December 2025

### Noise disruption – Wednesday 3 December 2025

Dear neighbours,

We would like to sincerely apologise for the disruption caused at Box Hill Public School on the evening of Wednesday 3 December 2025.

An unexpected failure of the generator and battery energy storage system resulted in a power outage that required urgent repair works. Unfortunately, these works extended late into the late evening and may have been noisy for surrounding residents. Our team worked to restore power as quickly and safely as possible, and we are reviewing the incident to prevent a similar situation from occurring in future.

Thank you for your understanding. We appreciate your patience while we address these issues.

If you have any questions or concerns, please contact School Infrastructure using the contact details below.
