Message from the Principal of Box Hill High School

Dear Box Hill High School Community,

It is with great honour and a deep sense of privilege that I introduce myself as the Foundation Principal of Box Hill High School. I am genuinely excited to begin this incredible journey as we work together to establish a new and vibrant learning community that will open its doors to students in 2026.

As an experienced educational leader, I am passionate about building a school where every student is known, valued, and inspired to achieve their personal best. Establishing a new school presents a unique opportunity to create something exceptional from the ground up, guided by shared values, high expectations, and a deep commitment to student success and wellbeing.

I look forward to working closely with our new staff, Deputy Principals, Mrs Joanne Roberti and Ms Colleen McKenna, Head Teachers, Mrs Toni Smith, Mrs Helen Shandil, Mr Liam Culhane, Mr Anthony Karam, Mr Andrew O'Connor, Mr Mathew Kurukchi, our School Administrative Manager, Mrs Maree Fitch, and all members of our foundation team who will help shape the culture, vision, and identity of Box Hill High School. Together, we will create a place where students are encouraged to think deeply, act with integrity, and contribute positively to their community.

I would also like to sincerely thank Mrs Joanne Roberti for her leadership and dedication as Relieving Principal during the school's establishment phase. Her work has ensured a strong foundation for the next exciting chapter in our journey.

In the weeks ahead, I look forward to connecting with families, students, and community partners as we bring our vision for Box Hill High School to life. The excitement is building, and I am confident that together we will create a school that reflects the aspirations, diversity, and pride of our community.

I am honoured to lead this next chapter and look forward to what we will achieve together as we prepare to welcome our first students in 2026.

Suada Bilali
