

Box Hill Public School

Welcome Pack – July 2025

New classroom to cater for kindergarten

Welcome Years 3 to 6

We are excited that the work to expand the temporary facilities at Box Hill Public School is now complete and ready to welcome students from Years 3 to 6.

The school can now accommodate students from Kindergarten to Year 6 while the permanent school is being built. The temporary school facilities include:

Library

Classrooms

Covered outdoor
learning area
(COLA)

Dedicated pick up
and drop off area

Outdoor spaces
and sports areas

Accessible
facilities

A temporary school to support the growing community

Temporary school facilities are built with safety and comfort in mind. The buildings conform to the same high standards required for all NSW public schools. From heating and air conditioning to fire alarms, natural ventilation and lighting, students and teachers can expect to be comfortable and safe.

We also tailor the temporary school to meet student or staff accessibility requirements. We have worked closely with the Public Schools leadership to ensure the spaces will suit Box Hill Public School's educational rationale.

With a wide range of learning spaces, temporary schools deliver the school's full subject offering at a standard expected in all public schools.

Message from your Principal

Welcome to our school.

It is an honour to be the foundation Principal for our school. The team and I have been busy running the new school throughout the first half of this year.

Our new school features modern, purpose-built facilities that support quality teaching and learning. We believe that education is the key to opportunity in life and are committed to partnering with our community to create a school where all students are challenged to excel in a nurturing and inclusive environment.

As we welcome our new students of Years 3 and 6 to embark on this exciting adventure together, I invite you to actively engage in the life of our school and your child's educational journey. We understand the importance of collaboration between home and school, and we encourage open communication to ensure the success and wellbeing of every child. I am confident that with your support, dedication, and our collective commitment to excellence, our school will ignite a love of learning in all children and set them up for future success. I look forward to welcoming our new students and their families into our new school.

Melanie Mackie

Box Hill High School opening on Day 1 Term 1 2026

To ensure continuity of learning, the department is establishing temporary facilities for Box Hill High School students starting Year 7 in 2026, expanding to include Year 8 in 2027. The construction area is fenced off and will be off-limits until completion. We are collaborating with school leadership to minimise disruptions, possibly scheduling some work outside school hours. Access to the site will be from Newfoundland Way, with traffic control as needed. See the map above for details.
