

Box Hill Public School and Box Hill High School

Works notification | 12 November 2025

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering \$3.9 billion for new and upgraded schools in Western Sydney. This targeted investment will ensure growing communities get access to a world class public education.

The project to deliver new permanent educational facilities in Box Hill includes a public preschool, primary school and high school, all of which will open on Terry Road, Box Hill on Day 1 Term 1 2028.

Site establishment works – 14 November 2025

From Friday 14 November 2025, we will begin establishing the construction site at 50-52 Terry Road ahead of demolition works. The initial works will include:

- installing temporary site fencing to safely cordon off the construction zone from the community
- creating designated entrances and exits for construction vehicles
- installing site sheds and worker amenities
- implementing sediment and soil erosion controls.

Entrance to the construction site will be from Terry Road, as shown on the next page. Traffic control will be in place where necessary to safely guide vehicles in and out of the construction site and ensure safety of the community.

Once the site is established, demolition of existing buildings will begin. This will involve the use of heavy machinery and may be noisy at times. We will notify the community in advance of these works.

Working hours

Works at the site will take place between 7 am and 5 pm Monday to Friday, and between 8 am and 1 pm on Saturday. The community will be notified if any work is required outside of these hours.

Keep in touch

You can find more information about the project at: edu.nsw.link/BoxHill-PS-HS

For any questions about the project, please contact us via our community information line and email using the details below.

We thank the community for your patience as we work to deliver these important educational facilities for Box Hill families.
