

# Box Hill Public School and Box Hill High School

## Works notification | 21 November 2025

As planning for the new schools in Box Hill continues, the department is working to deliver a purpose-built temporary facility at George Street, Box Hill to cater for Box Hill High School students.

This temporary facility will provide the infrastructure needed to ensure that local families can send their children to a local high school sooner.

### Temporary high school installation works

From Thursday 27 November 2025, we will be transporting large demountable buildings onto the George Street site, next to the current Box Hill Public School site. The demountable installation is scheduled to be completed by late December 2025, weather permitting.

Several oversized trucks will be entering and exiting the site to transport demountable buildings throughout this period. There will also be a large crane on site which will be safely managed within the construction zone.

Entrance to the construction site will be from Newfoundland Way. Traffic control will be in place to safely guide vehicles in and out of the construction site and ensure safety of the community. Please view the site plan on the next page for further information.

Works on the site will continue throughout the school holiday period ahead of the school opening on Day 1 Term 1 2026.

### Working hours

All works at the site will take place between 7 am and 5 pm Monday to Friday and between 7 am and 3 pm on Saturday. No work will take place on Sundays or public holidays.

The community will be notified if work outside of these hours is required.

### Keep in touch

You can find more information about the project at: [edu.nsw.link/BoxHill-PS-HS](https://edu.nsw.link/BoxHill-PS-HS)

For any questions about the project, please contact us via our community information line and email using the details below.

Thank you for your patience as we work to deliver these important school facilities.

## Site plan

School Infrastructure will be closed from 5 pm Wednesday 24 December 2025 to 9 am Monday 12 January 2026, in line with the NSW Government shutdown period.

During this time, if there is an urgent issue, please contact the site manager listed on the construction site entry. In an emergency, please call triple zero (000).
