# Message from your Principal

It is with immense pride and excitement that I welcome you to Box Hill High School, as we prepare to open our doors to our very first cohort of Year 7 students. This is a remarkable moment, one that marks the beginning of a shared journey to build a school community defined by excellence, opportunity, and empowerment.

As the Foundation Principal, I am honoured to work alongside our families, students, and staff to shape a school where every young person is known, valued, and inspired to grow. We are establishing more than a new school, we are building a future-focused learning community where diversity is celebrated, inclusion is non-negotiable, and every student is supported to reach their full potential.

At Box Hill High School, we believe every learner brings unique strengths, talents, and aspirations. Our students will excel across a wide range of pursuits, academic excellence, STEM, sport, the creative arts, leadership, and innovative thinking. We are committed to developing curious, courageous, and compassionate young people who will grow into exceptional global citizens, ready to contribute meaningfully to a rapidly changing world.

In these foundational months, we are working to ensure that every student transitions confidently into high school. Our orientation, engagement, and partnership programs are centred on connection between students, families, staff, and the broader community. Together, we will cultivate a school where wellbeing and learning go hand in hand, where student voice shapes our direction, and where every classroom is a place of belonging.

As we embark on this exciting journey, I invite you to join us in building something extraordinary. With your support, Box Hill High School will become a vibrant, inclusive, and future-ready community, a place where every learner is empowered, every opportunity is embraced, and every success is celebrated.

I look forward to welcoming our foundation families and witnessing the incredible achievements of our very first Year 7 class. Together, we are creating the beginning of a legacy.
