Investing in our schools

As part of the NSW Government's plan to rebuild public education, the NSW Budget is delivering \$3.9 billion for new and upgraded schools in Western Sydney. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

The project to deliver new permanent educational facilities in Box Hill includes a public preschool, primary school and high school, all of which will open on Terry Road, Box Hill on Day 1 Term 1 2028.

To accommodate local families and provide access to education sooner, Box Hill Public School and Box Hill High School are both now operating from temporary facilities until the permanent facilities are completed. Both schools are located on George Street, Box Hill (entrance to the High School is via Merens Street).

Progress summary – permanent school facilities

- We are pleased to announce that the artist's impression images of the new schools have now been finalised. They can be viewed on pages 2, 3 and 4 of this update.
- Demolition and site preparation works at the permanent school site began late last year and are now complete.
- The tender for construction of the permanent school facilities has now been awarded to Richard Crookes Constructions Pty Ltd.
- We are on track to start construction to build the new schools in July 2026.

Box Hill High School enrolment update

Year 7 enrolment applications for 2026 are still open. For information on how to enrol, visit the school website: boxhill-h.schools.nsw.gov.au/about-us/enrol

Next steps

Once we finalise the tender with the contractor, we will work with them to develop a detailed design and a timeline for construction of the new schools. We will write to you again before construction starts in July 2026.
