

Oran Park Public School – Stage 2

Works notification | 7 September 2023

An upgrade is underway at Oran Park Public School.

Relocation of demountable buildings during school holidays

During the school holidays two demountable buildings will be moved on the school grounds. Works to prepare the new site of the demountable buildings will begin on Monday 11 September 2023. The area will be fenced off from staff and students.

The demountable buildings will continue to be in operation at their current location until the end of Term 3.

On Saturday 23 September the services to the demountable buildings will be disconnected and the buildings will be relocated by a crane. The crane will access the school grounds via South Circuit and Dick Johnson Drive. There may be slight traffic delays while the crane is entering and exiting the school grounds.

Services will be reconnected during the holiday period and the demountable buildings will be ready to use in their new location from Day 1, Term 4.

Thank you for your patience while we deliver this important school infrastructure.
