New vehicle entry to extended kiss & drop

Store room (previously kiln room)

Refurbished:

Student amenities and services

Admin and staff areas

Special programs room in library

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

Message from your Principal

I am absolutely delighted to welcome you all to the wonderful new upgrade of Oran Park Public School, coinciding with the school's 10th anniversary this year!

The recent investment in the school has given us fantastic modern facilities, including 16 new fit-for-purpose and innovative classrooms, dedicated to greatly improving the learning outcomes for our students.

I am very excited for us all to enjoy our collaborative and enhanced new environment -and I am sure you will be pleased with it too.

A particular highlight is the original kitchen area in the library, which has been beautifully refurbished as a special projects room –and also the upstairs admin area.

The kiss and ride has been extended, with a new entry for cars off Dick Johnson Drive, making pick up and drop off even easier in the mornings and after school.

New turf has also been laid for our open play area, and more greenery has been planted to keep our grounds nice and fresh.

Overall, I want to extend a big thank you to you all for your continued patience during construction. I am truly proud of the supportive spirit we cultivate together within the Oran Park Public School community.

Have a fantastic start to the year.

Our Record Investment

As part of the NSW Government's plan to rebuild essential services, the 2023-24 Budget is delivering a record \$8.8 billion for new and upgraded schools. This targeted investment in growing communities will ensure working families get access to a world class public education.

In addition to this major project, we are delivering three new high schools to be located in Leppington, Gregory Hills / Gledswood Hills and Edmondson Park, in addition to major upgrades for Gledswood Hills and Gregory Hills Public Schools.

Modern classrooms

This exciting project has delivered new classrooms for the next generation of young minds. The new classrooms offer flexibility where teachers can provide more opportunities for student engagement.

The classrooms:

- are adaptable to accommodate small or large groups
- provide accessibility to new technology in a variety of settings
- encourage a personalised learning experience so students learn at their own level and pace
- can be closed into individual classrooms.

Frequently asked questions

How should students get to school?

We encourage active modes of travel. Most students who live in Oran Park north of Peter Brock Drive can walk to school in 20 minutes or less, or can ride bicycles or scooters. For more information see the Travel Access Guide.

Will there be any changes to the pick up and drop off zones?

Yes, there are now 14 spaces for vehicles for drop off and pick up in the extended kiss and ride area.

The entry to the kiss and ride is also now at Dick Johnson Drive, as marked on the above map. The existing exit, however, continues to be on South Circuit.

What time is the drop off and pick up zone reserved for the Support Unit?

For the Support Unit drop off and pick up zone in the Support Unit car park area, a parking zone will be reserved during the following times.

Morning:

DOE assisted transport vehicles for all students:
8:40am – 9:10am

Parents of primary school support students:
8:40am – 9:10am

Afternoon:

DOE assisted transport vehicles for all students:
2:45pm – 2:50pm

Parents of primary school support students:
2:45pm – 2:50pm

Parents and carers who would like to drop off and pick up support students outside of allocated times, please park on the street and accompany your child in.

Will there be any changes to general parking or the bus stop?

No, there will be no changes to general parking or bus stop arrangements.
