

Oran Park Public School

Back to school 2020

Welcome to your school

We're excited your new school facilities are ready for you to use.
The upgrade to your school includes:

24 new permanent,
flexible teaching spaces

Upgraded administration
and staff areas

Provision of a new covered
outdoor learning area (COLA)

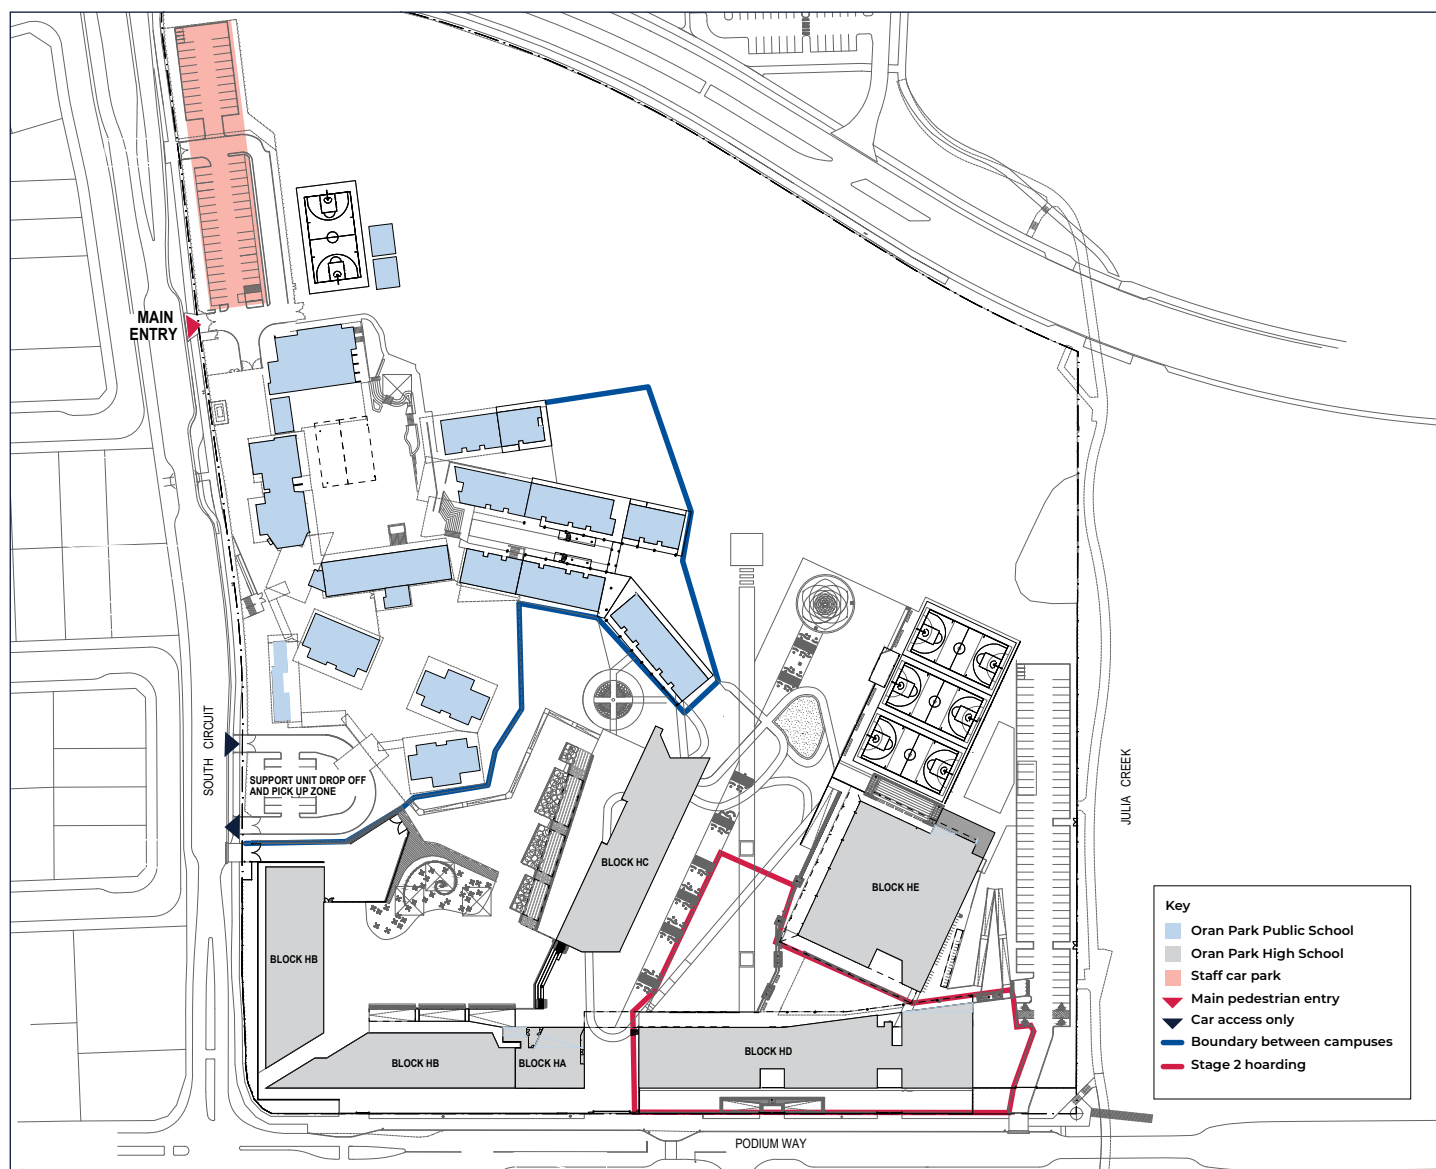

Additional student
amenities

Thank you for your patience during construction. We are thrilled to deliver this project for your school community and hope you enjoy your new spaces. Share your back to school experience with **#Ready2020**.

Project Overview

The upgrade to Oran Park Public School is completed. Works to Oran Park High School are still in progress.

Access to new school buildings from Term 1 2020

Message from your Principal

We are thrilled to be able to move 24 of our classes into high quality, air-conditioned, spacious classrooms fully equipped with the latest technology and modern design. Our new classrooms and amenities block match seamlessly with the older buildings.

The landscaping works provide plenty of aesthetically pleasing outdoor learning space to inspire and motivate our staff and students. We welcome the new staff administration space to plan and meet, enabling excellent communication to ensure high quality programming for our student's needs.

We look forward to utilising the new spaces to continue our delivery of innovation and excellence in education this year and beyond.

We thank you for your patience during construction. We are excited to deliver this project for the school community.

Donna Shevlin, Principal

Innovative learning environments

The upgrade to Oran Park Public School has been completed. This exciting project now delivers innovative learning environments for the next generation of young minds.

Innovative learning environments provide flexibility where teachers can provide opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- include learning neighbourhoods with flexible spaces that allow students to use technology in a variety of settings
- provide opportunities to enhance skills in collaboration, communication, critical thinking, problem solving and creativity.

Frequently asked questions

What has been delivered at Oran Park Public School?

We are excited to announce that the upgrade at Oran Park Public School has been completed. This exciting project has delivered 24 new flexible learning spaces, provision of a new covered outdoor learning area (COLA), additional student amenities, an upgrade to administration and staff areas, landscaping and additional staff parking.

When will the school move into the new facilities?

The new classrooms are ready for you to use from Day 1 Term 1 2020.

Will there be any changes to the drop off and pick up zones?

The drop off and pick up zone located beside the basketball court will not change.

The Support Unit drop off and pick up zone in the car park area will be shared this year with support students attending Oran Park High School. Carpark spaces will be reserved for this purpose during the following times:

Morning:

DOE assisted transport vehicles for all students:
8:40am – 8:50am

Parents of primary school support students:
8:50am – 9:10am

Afternoon:

DOE assisted transport vehicles for all students:
2:45pm – 2:50pm

Parents of primary school support students:
2:50pm – 3:10pm

Parents and carers who would like to drop off and pick up support students outside of allocated times, please park on the street and accompany your student in.

Will there be any changes to general parking or the bus stop?

No, these remain unchanged and will continue to operate as usual.
