Welcome to your school

We’re excited your new school facilities are ready for you to use. The upgrade to your school includes:

- A new two storey building with 13 flexible learning spaces
- Outdoor learning areas
- A new library
- Extension to the administration facilities
- New student toilets

Thank you for your patience during construction. We are thrilled to deliver this project for your school community and hope you enjoy your new spaces. Share your back to school experience with #Ready2020.

Innovative learning environments

The upgrade to Pendle Hill Public School has been completed. This exciting project now delivers innovative learning environments for the next generation of young minds.

Innovative learning environments provide flexibility where teachers can provide opportunities for student engagement. The learning spaces:

- are adaptable to accommodate small or large groups
- include learning neighbourhoods with flexible spaces that allow students to use technology in a variety of settings
- provide opportunities to enhance skills in collaboration, communication, critical thinking, problem solving and creativity.
New learning building classroom allocation

Students moved into the new building on Day 1 Term 1 2020.

The plan below shows the location of the learning spaces in the new building.
