

Thank you

from Picnic Point High School | June 2023

To our community

Thank you for your patience while we delivered the Picnic Point High School upgrade.

Your support and cooperation have made it possible for us to deliver these new facilities for students and their families.

All work on the school has now been finished. The project team has handed over the new facilities to the school to use.

Wishing you all the best,

School Infrastructure NSW and Picnic Point High School.

New technical applied science workspace

New flexible learning space

New facilities

We're excited about the new facilities this project has delivered at Picnic Point High School. These include:

- four new general learning spaces
- new Technical Applied Science (TAS) workshops and learning spaces
- new visual arts workshop and new visual arts learning spaces
- new music learning spaces
- a new computer learning space
- upgraded and expanded administration and staff facilities
- landscaping and external improvements.

Thank you for your patience during the upgrade of Picnic Point High School. We are thrilled to have delivered this project to the community.
